“We do offer **Public Entity** coverage and that new access is only one of the many we are planning in the near future. **Workers’ Compensation** continues to be a strong area for us, including **Excess Workers’ Compensation** and **Large Deductible** plans. **Garage** markets have been added recently, either with or without the *physical damage* coverage. We

welcome *valets, dealers* and most *service-related* accounts. **Commercial Auto** business, including tougher **Public Auto** classes, is another area of expansion. **Habitational** has been ramped up in recent weeks, with and without losses, standard or not. **Business Owners Packages** can be written that may or may not fit your traditional markets. **Vacant Buildings, Liquor Liability** and **Ocean Marine** are all products that we are currently writing.”
