Commercial Lines Department

- **G.A. Mavon would like to welcome Carole Walczak to the Commercial Lines Department.** Carole has been with Mavon for 10 years and most recently was located in Arizona, where she handled much of the commercial customer service work remotely for MAVCO Insurance Agency. Carole and her husband of 12 years, Wayne, moved back to the western suburbs this summer.

Carole Walczak

Carole started her career in insurance with Financial Guardian in 1986, as a receptionist. She worked her way up through the Claims Department, and on into Commercial Underwriting.

Carole is excited about working in Mavon's Commercial Department, where she will handle business directed to our standard market companies for small to middle market commercial accounts for Package, Auto and Workers' Compensation. Carole is looking forward to working with and getting to know our brokers. She has great existing relationships with our companies such as CNA, Hartford, Chartis, CompGlobal, Zenith & Technology. We know she is eager to quote and place your business because one of her goals is to turn your quotes around quickly so she can write a lot of new business.

Her enthusiasm is contagious, and we know you will enjoy working with Carole. You can contact her at 630-242-3156 or email carole.walczak@mavon.com.
